To the Filing Representatives:

The Public Service Commission of South Carolina hereby Certifies that all federal high cost support provided to rural and non-rural carriers in this state will be used only for the provision, maintenance and upgrading of facilities and services for which the support is intended, consistent with section, 254 (3) of the Communications Act of 1934, as amended. This includes High Cost Loop (HCL) support, Local Switching Support (LSS), High Cost Model (HCM) support, and high cost support received pursuant to the purchase of exchanges.

Attached are lists of rural, non-rural and competitive carriers certified by the South Carolina Public Service Commission pursuant to sections 54.313 and 54.314 of the FCC's rules (47 C.F.R. §§ 54.313, 54.314), which require states to establish an annual certification process for rural and non-rural carriers receiving federal high cost support. As requested by the Universal Service Administrative Company, listed beside each carrier is its assigned study area code (SAC), if known.
